- While this program is correct at the time of printing, the Match Committee ask that you please check the golfing noticeboard regularly for the latest program.
- Please see the golf noticeboards for up-to-date lists of office bearers, committee members, conditions of play (including policies), reciprocal clubs, and all other related information.
- In case of inclement weather, a member of the Match Committee and the Club Professional will make a decision about the suitability of the course for play as early as possible. Please phone the Pro Shop on 02 6646 1656 for more information.
- Complaints or grievances should be directed to the Golf Manager or a member of the Match Committee.
- Standards of dress are displayed on the entrance to the pro shop, with golfers expected to dress respectfully at all times.
- In times of wet weather please limit cart use and stay on cart paths at all times. When the “Mud on Ball” local rule applies, no more than two carts per group are permitted. At all other times a maximum of three carts per group are permitted.
- In the interests of all golfers slow play should be avoided, with each group expected to keep up with the group ahead.
- The Monday to Sunday nine-hole competition runs all year around – play as many times as you like. Check with the pro shop for details.
