NOTES TO GOLFERS

- While this program is correct at the time of printing, the Match Committee ask that you please check the golf noticeboards regularly for the latest program.
- Please see the golf noticeboards for up-to-date lists of office bearers, committee members, conditions of play (including policies), reciprocal clubs, and all other related information.
- In case of inclement weather, a member of the Match Committee and the Club Professional will make a decision about the suitability of the course for play as early as possible. Please phone the Pro Shop on 02 6646 1656 for more information.
- Complaints or grievances should be directed to the Golf Manager or a member of the Match Committee preferably in writing for consideration at the next match committee meeting.
- Standards of dress are displayed at the entrance to the pro shop, with golfers expected to dress respectfully at all times.
- In times of wet weather please limit cart use and stay on cart paths at all times. When the 'wet weather rule' is implemented, relating to cart usage, no more than two carts per group are permitted at the discretion of the starter. At all other times a maximum of three carts per group are permitted.
- In the interests of all golfers, slow play should be avoided with each group expected to keep up with the group ahead.
- The Monday to Sunday nine-hole competition runs all year round – play as many times as you like. Check with the Pro Shop for details.

Call to book our courtesy bus – available from 4pm weekdays and 2pm weekends
